line 15;　change "And they are" to

---They are also---.

line 16;　change "touch" to ---feel---.

line 17;　change "comparison" to

---Comparison---.

line 20;　change "comparison" to

---Comparison---.

line 21;　change "touch" to ---feel---.

Page 27,　line 1;　change "But" to ---However,---.

line 2;　after "characteristic of" insert

---a---.

change "flown out of" to

---removed from---.

line 17;　change "inside fiber" to

---inside the fibers---.

line 18;　change "The concrete" to

---Specific---.

line 22;　change "concrete" to

---specific---.

Page 28,　line 6;　change "experiment" to

---Experiment---.

line 8;　after "removed by" insert ---an---.

line 9;　after "Then" insert ---,---.

line 16;　change "impregnation rate" to

---an impregnation rate of---.

line 21;　change "concrete" to ---specific---.

Page 29,　line 14;　change "experiment" to

---Experiment---.

line 16;　change "concrete" to ---specific---.

Page 30,   line 9;   change "experiment" to
---Experiment---.

             line 12;   change "experiment" to
---Experiment---.

             line 14;   change "experiment" to
---Experiment---.

             line 16;   change "experiment" to
---Experiment---.

             line 19;   change "experiment" to
---Experiment---.

             line 21;   change "experiment" to
---Experiment---.

             line 23;   change "experiment" to
---Experiment---.

             line 26;   change "experiment" to
---Experiment---.

Page 31,   line 2;   change "experiment" to
---Experiment---.

             line 4;   change "experiment" to
---Experiment---.

             line 8;   change "experiment" to
---Experiment---.

             line 9;   change "experiment" to
---Experiment---.

             line 12;   after "in" insert ---a---.

             line 19;   change "experiment" to
---Experiment---.

             line 22;   change "comparison" to
---Comparison---.

             line 26;   change "experiments from" to
---Experiments---.
change "comparisons from" to
---Comparisons---.
change "And" to ---The---.

Page 32,   line 1;   change "also feeling of the cloth was" to
                       ---feel of the cloth was also---.
                       change "tables" to ---Tables---.

            line 4;   after "to" insert
                       ---obtain a moisture---.

            line 5;   delete "moisture".

            line 6;   after "measuring" insert ---the---.

Page 33,   line 4;   change "table" to ---Table---.

            line 5;   change "experiments from" to
                       ---Experiments---.

            line 8;   change "water soluble" to
                       ---water-soluble---.

            line 11;   change "experiment" to
                       ---Experiment---.
                       change "chitosan, shows" to
                       ---chitosan and shows a---.

            line 13;   change "experiment" to
                       ---Experiment---.

            line 15;   change "experiment" to
                       ---Experiment---.

            line 16;   after "taffeta is" insert ---a---.

            line 18;   change "experiment" to
                       ---Experiment---.

Page 34,   line 1;   change "for water soluble" to
                       ---as a water-soluble---.

            line 4;   change "experiment" to
                       ---Experiment---.

            line 5;   change "table" to ---Table---.

            line 6;   change "comparison" to
                       ---Comparison---.
